

Want to Earn Some Money ?!?!

Scrip (gift cards for yourself or others with a rebate back to you) is a great way for you to reduce your student's cost for going on the Spring Chorus Trip. Think of these as prepaid debit cards for your favorite grocery store, gas station, restaurants, places to shop, hotels, and much more!

The credit built up in your scrip account benefits your student directly. Go to www.shopwithscrip.com to set up your account. Click on the "Join a Program" blue button at the top of the page and use the enrollment code AFEF878228689 for Lake Braddock Vocal Music Boosters.

All payments must be made via Presto Pay - after you have set up your shop with scrip account go here: <https://shop.shopwithscrip.com/Support/ordering-scrip-for-families/pay-online-prestopay> to learn about PrestoPay™, the secure online payment system.

There are two methods to receive your scrip. The first method is with an instant download that you can either use on your phone or print. You can do this at any time - many retailers offer this option.

The second option is if you want to receive a physical gift card - you will place an order and the physical gift cards will be shipped to the scrip coordinator for pickup. These orders are done less frequently as there is a shipping charge that will be deducted from your proceeds. Many grocery and gas retailers only offer this option but many of these physical cards can be reloaded from your scrip account later without paying a new shipping fee. This school year's first deadline to get physical gift cards will be Monday September 17th. Other Fall deadlines for physical cards will be November 5 and December 3.

Sign up ASAP if you haven't already (you can sign up for the accounts anytime.) If you would like to browse a list of participating retailers you can see them here:
